## A NOTE FROM THE PRESIDENT

After another very successful Provincial year, I would like to take this opportunity to congratulate all the Provincial officers for their part in making this year what it was. I want to congratulate all of the New Officers and wishing them all the best as we start this New Year together. I want to remind everyone that it is an honor to be a part of the Provincial Executive and that the Legacy will only continue with us. Everyone that has been appointed as a chairman I ask that you try your best to achieve any goals you may set for yourself. I understand that with so many charities we can only do the best we can for each one. If you feel very passionate about a certain charity don't feel limited give it all you can to succeed your goal.

This year I will be depending on the Provincial Officers to be even a bigger part and have I would like to see everyone have the same passion, honor and commitment that I have towards the Fraternal order of Eagles. No one could ever know how proud I am to be your Provincial President and I promise to work hard as hard as all my Brothers and Sisters to make this a very successful year.

Special Thanks to the Brothers and Sister of Campbell River who have supported me since I started this Journey. Without all of your support I wouldn't be standing here today.
